Operational Programme Research,
Development and Education

OP RDE supports higher education institutions

Who we are

Operational Programme Research, Development and Education (OP RDE) of the Ministry of Education, Youth and Sports is one of the thematic programmes that you can use to obtain funding from the Structural and Investment Funds of the European Union until 2023.

Focus

OP RDE focuses on improving the quality of education, ensuring conditions for quality research, interlinking education and research with the labour market and strengthening the principle of equal access to education at all levels of education, starting with nursery schools.

Calls

OP RDE publishes calls under which you can submit your grant applications.

The schedule of calls is available on the website:
