

International mobility of researchers (Call No 02_16_027)

What is the aim of this call?

- Support for professional development of researchers and development of research organizations through human resources enhancement
- strengthening international cooperation

Who can apply for a grant?

- Entities that meet the definition of an organization for research and dissemination of knowledge according to the Framework for State aid for research, development and innovation (e.g. HEIs, public research organizations, contributory organizations of State organizational units and of territorial self-governing units) that gained in 2015 at least 100 RIV (results index) points, i.e. were active in R&D&I
- The applicant must be established in the Czech Republic and may submit a maximum of one grant application.

How and when to apply?

Grant applications are submitted through IS KP14+ (<https://mseu.mssf.cz>):

- in the period from 30.06.2017, 13:00 until the allocation is exhausted or until the decision of the Managing Authority, but no later than 01.12.2017, 14:00.

What activities are supported?

- Arrivals to the Czech Republic: Working stays of post doctoral scholars or senior researchers from abroad in the Czech Republic
 - transfer of foreign experience and skills to the Czech research environment is expected
- Departures from the Czech Republic: working stays of junior and senior researchers abroad
 - the purpose is the participation of researchers in research activities of foreign research organizations, development of their knowledge and skills useful in the future for the Czech research organization and the strengthening of cooperation of the Czech research organizations with the foreign ones
- In all the above cases, it is also intended to reconcile the work and private life of researchers - by means of a special allowance granted to the researcher for the duration of the mobility and eligibility for the allowance

What is the amount of financial support?

- Allocation of the call: CZK 1 500 000 000
- Minimum project size: not defined
- Maximum project size: CZK 91 000 000 (maximum amount of aid depends on the number of points gained for research results in RIV (Results Index) - for more see the text of the call here, page 4.)

Who is the grant provider and where to find further information?
