

## Implementation of regional action plans I (Call No 02\_16\_034)

### What is the aim of this call?

To support interventions in RAPs leading to a higher quality of school management and of education in the Regions through the implementation of umbrella activities at the regional level that are complementary to the school activities.

Emphasis will be placed on:

- support of teachers or school leaders - training, mentoring, networking with experienced colleagues
- enhancing the quality of general and vocational components of vocational training
- encouraging the interest of children and pupils in science and technical education - cooperation between nursery, primary, secondary and post-secondary vocational schools in the region, including links to future employers
- support for activities leading to the creation of supportive and motivation networks for pupils at risk of school failure

### Who can apply for a grant?

- Regions - higher self-governing units

### How and when to apply?

Grant applications are submitted through IS KP14+ (<https://mseu.mssf.cz>):

- In the period from 12.06.2017, 10:00 until the allocation is exhausted, no later than 20.12.2017, 14:00.

### What activities are eligible?

- **Implementation of planned activities to deliver the key themes of the RAP:**
  - support for the implementation of the umbrella activities of schools from the call "Templates for secondary and post-secondary vocational schools I" that will lead to the accomplishment of at least one of the key RAP topics - this activity also applies to individual projects systemic, implemented in secondary education
  - support for competences leading to entrepreneurship, initiative and creativity
  - support for polytechnic education
  - support for vocational training, including cooperation between schools and employers
  - development of career guidance
  - development of schools as centres of further professional education
  - support for inclusion
- **Activities mandatory to select:**
  - promotion of literacy and numeracy
  - implementation of planned activities to deliver the optional themes of the RAP
  - creating inclusive school policies by the Regions
  - synthesis and evaluation of products created under the grant projects and individual projects other within the Operational Programme Education for Competitiveness

### What is the amount of financial support?

- Allocation for the call: CZK 1 750 000 000
- Minimum amount of expenditure: CZK 10 000 000
- The maximum amount of total eligible expenditure is set for each Region and is binding.
