

Undergraduate Education II

(Call No 02_19_068)

What is the aim of this call?

- Better preparation of future teachers and support for the conceptual transformation of their preparatory training
- Development of competences of HEI educators and teachers of cooperating schools who are involved in teaching future teachers
- Promotion of the teaching practice of students (future teachers)
- Increase of the competences of future teachers in the field of inclusive education of children and pupils
- Support for networking among faculties educating future teachers within one higher education institution
- Promotion of the didactic use of digital technologies in teaching

Who can apply for a grant?

Public higher education institutions established under Act No 111/1998 Coll. on higher education institutions, which provide accredited bachelor's and/or master's degree programmes leading to professional qualification for teachers (this call does not cover lifelong learning programmes).

What is the amount of financial support?

- Allocation of the call: CZK 400 000 000
- Minimum amount of expenditure: CZK 3 000 000
- Maximum amount of expenditure: CZK 50 000 000

How and when to apply?

Grant applications are submitted through IS KP14+ (<https://mseu.mssf.cz>) in the period from 11.03.2019 till 28.06.2019, 14:00.

What activities are supported and what is their allocation?

All projects must include both mandatory activities and at least one mandatory-to-select activity. When selecting the activities, applicants will follow their breakdown into categories.

Category A - activities designed for faculties preparing future teachers and for centres inside universities preparing future teachers (excluding faculties of education)

Category B - activities for faculties of education

Mandatory activities:

- Project management (for both categories A, B)
- Improving the quality and innovation of student teaching practice (only for category A)
- Support for the development of competences of HEI teachers (only for category A)
- Evaluation and self-evaluation strategies in the work of future teachers

Activities mandatory to select:

- Foreign mobility (for both categories A, B)
- Innovative approaches in undergraduate teacher training (for both categories A, B)
- Promotion of cooperation between HEI teachers and teachers of collaborating nursery/ primary/ secondary schools (only for category A)
- Development of competences of future teachers by linking theoretical and practical training (only for category A)
- Preparation of a university-level concept of a modular system of study programmes preparing future teachers (only for category B)

Details of the above-mentioned activities are provided in the text of the call (chapter 5.1.1) and in the Rules for Applicants and Beneficiaries – specific part (chapter 5.2.4).

What target groups can be supported?

- Students of bachelor's and master's degree programmes at higher education institutions (future teachers)
- Academics educating future teachers
- Teaching staff of schools and educational establishments
- Other personnel involved in the professional preparation of future teachers
